

## Comfort Credits

New Country Comfort customers with a leased tank can receive Comfort Credits that can be used towards:

- the cost of propane deliveries
- tank installations
- copper tubing
- pressure checks
- GAS checks

Comfort Credits are automatically credited to your account. *This credit is an expression of our gratitude for your business.* We are excited to provide our services to you. Credits are issued based on the tank size as indicated below:

Size of New Leased Tank	New Construction Credits	Existing Home Credits
1,000 gallon	\$100	\$50
500 gallons	\$100	\$50
320 gallons	\$75	\$50
250 gallons	\$50	\$25
120 gallons	\$25	\$25

*Comfort Credits can be used in conjunction with Summer Fill and Contract Pricing Programs. Credits are available on account only and not redeemable for cash.*

### Requirements

- Credit approval required
  - Additional cash discounts do not apply
  - Only leased tanks qualify
- This program is subject to change without notice.**
